October 2014

Dear Neighbor,

It is that time of year again when the Belleville Fire Company is conducting its annual Fund Drive. The Fire Company would appreciate your continued support. We are entering our 95<sup>th</sup> year of continued service to our community. Your firefighters continue to train and stand ready to answer the call when needed.

As some of you may know, the Union Township Supervisors recently acquired the former Union Elementary School. The Board of Supervisors have graciously offered the Fire Company use of the kitchen and the "All Purpose Room". The Fire Company is currently renovating and preparing these rooms for our use. We plan to hold our monthly bingo and bi-monthly pancake/sausage breakfasts as well as other events at the former school. Once completed we invite you to check out the investment we have made to the community.

We invite you to "like us" and follow us on Facebook for current events. We also maintain a website and encourage you to book mark us. The website address is <http://bellevillefireco.org>. *To make donating easier for some, we also accept secure donations via PayPal on our website. Click the "Donate" button and follow the instructions.*

This year we have included information on smoke detectors and rural fire safety tips.

The Belleville Fire Company is always in need of new members. If you have an interest in serving your community, please download the information from our website or see any Fire Company member for details. The Fire Company meets on the second Thursday of each month.

Thank you again, for your continued support. Please complete the contribution form at this bottom of this letter and return it, along with your donation, in the enclosed self-addressed envelope.
